

PREAMBLE

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for A.A. membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organisation or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.

Our primary purpose is to stay sober and to help other alcoholics to achieve sobriety.

IN THE BIG BOOK

But we are not a glum lot.

If newcomers could see no joy or fun in our existence, they wouldn't want it.

We absolutely insist on enjoying life.

So we think cheerfulness and laughter make for usefulness. Outsiders are sometimes shocked when we burst into merriment over a seemingly tragic experience out of the past.

But why shouldn't we laugh?

We have recovered, and have been given the power to help others.
