

VOLUNTEERS WANTED

National Office Arncliffe

Fun! Fellowship! Lunch!

National Office's premises are about to have a long overdue freshen up. Volunteers are needed to help move boxes of literature, shelving and furniture so that the painters can come in.

If you have a spare day or two starting from the 19th to the 22nd December, and then again from sometime early in January, please contact Chris on 95998866. There is lifting involved but on the upside you'll be doing some valuable service work and enjoy the fellowship

Morning Tea and Lunch provided.
