

Travelling Overseas?

.....carry the message with you.....

The Fellowship of Alcoholics Anonymous continues to emerge and grow in many developing countries – especially in the Asia-Oceania region.

Some Groups of AA in these and other countries have little or no AA literature.

While you're preparing for your journey, why not take some AA pamphlets, booklets, or maybe a Big Book or two – to share as a gift to Groups or meetings that you visit while you're travelling?

These current International AA Group and Meetings Directories are available through your local District, Central Service Office or the National Office:

- International AA Directory (Outside USA & Canada)
- Asia Oceania AA Directory
